

## Update on Oral Interviews

This message updates the message posted on August 11, 2005 and provides additional information.

The length of time for the interview has been changed from one hour to 30 minutes. The Agency briefing time has been changed from 20 minutes to 15 minutes.

Additionally, in light of the limited amount of time for each interview, PowerPoint (or similar electronic) presentations will not be possible.

The oral interview will be evaluated based on the Agency's oral presentation and the responses to questions, not on any materials that the Agency submits, such as handouts. The maximum number of handouts to bring is 6.

Please let us know if you have questions.

Thank you for your cooperation in scheduling these interviews.
